Response to Amendment

In response to the Applicant's amendment received on 9/09/04, all requested changes to the claims have been made.

In view of the Applicant's amendment the 35 U.S.C. 112 rejection has been withdrawn.

Allowable Subject Matter

Claims 4-7, and 12 are allowed.

The following is an examiner's statement of reasons for allowance: Claim 11 which was dependent on claim 4 was indicated as allowable in the previous Office Action if it was rewritten in independent form to incorporate limitations of claim 4. As the limitations from claim 11 were rewritten into claim 4, claim 4 is allowable. The limitations of the claims 5-7 and new claim 12 (rewritten to incorporate all the limitations of the previously objected to claim 5) were indicated as allowable subject matter in the previous Office Action.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
